

Meaning of Love

Just his touch will set you free. You know the meaning of love.

I have been around and I believe all answer's come from above.

We must make a choice in life with all our trials and strife.

He will lead you to the light and you know the meaning of love.

His love and grace, is all you'll need you will know the meaning of love.

When you get lost, he's there for you sure as there are stars up above. The road of life
is never clear It's, filled with hopes and fear.

He will lead you to the light you will know the meaning of love.

You will know the meaning of love

You will know the meaning of love

We must make a choice and life with all our trials and strife

He will lead you to the light and you will know the meaning of love

You will know the meaning of love

You will know the meaning of love

Yes, You will know the meaning of love

You will know the meaning of love
